Current Project

- Annexation, 9/20/2021. Pending appeal
- WWTP -Clarifier rebuild project, fully funded: Awarded
- WTP- new water lines to be replaced in the distribution system, funding in process. ARC, CDBG, OEPA, OPWC
- Oil and Shale: SR 646 and East College St, funded Multiple Grants
- Fowler Ave sewer line repair, funded: Awarded / 90% Completed.

Annexation:

- The Appeal is pending; no date has been set.
- Ordinance 2021-007

-The court hearing was held Dec 1, 2021. The Judge has taken the case under advisement. The Plaintiff and Defendant have filed a brief with the court. Court documents were filed on Dec 15, 2021. This is pending a court decision.

WTP:

-Water line project: Brown, Maple, Walnut, and Grandview Streets. The project engineering and bid date for the water lines is tentatively scheduled for the Spring of 2022. The intent is to start the project in the Spring/ Summer of 2022. This project will consist of the new 6" C909 water line, new lateral connections to the curb stop and a new lateral connection to the resident's home. The new water line lateral from the curb stop to the resident's home will be funded with the Ohio EPA Grant to ensure that all lead lines are removed.

- The Solicitor has provided the requested letter to the OEPA, the Village can proceed on the established timeline to potentially bid this project in March 2022.

-New funding sources for Water line replacement projects are available: The Ohio H2O and OEPA lead service line replacement funding is available for 2022

The VA, Thrasher Group, and the EPA had a virtual conversation on Jan 10th to discuss the Villages current water line projects and Capital Improvement plan, it may be advisable for the Village to consider utilizing the additional funding sources to have the remaining water lines in the Village replaced in 2023. It is recommended that the Committee discuss this, the initial application is due in March 2022.

-Initial feasibility assessment for sanitary services to Hilltop Dr, Utility St, and Main St properties. Recommended discussion on fees and services for this project.

WWTP:

-Clarifier WWTP: Border Patrol won the bid at \$556,291.00. The work may start in January to prepare Clarifier #1 to be dismantled awaiting the arrival of materials for the rebuild. The Harrison County Commissioners office is overseeing the Grant on behalf of the Village. There will be a change order to this project, a deduction has been done. The Clarifier line that flows to the sludge pit shall remain as is and removed from the project scope of work. The cost reduction will be reflected on the final pay out forms.

Collection system on Fowler Ave: The construction on Fowler Ave started on December 13th, the new HDPE sewer line and lateral connections are completed. The "punch list" walk through of the Fowler Ave project was done on January 3rd, the final portion of this project will be done in the Spring of 2022. This will include paving of several areas, restoration of disturbed areas in property owners' yards, and cleanup of the staging area. The final inspection will be done upon completion. The five-day notification letter was submitted to the OEPA SEDO as required.

Oil and Shale program:

-Project ID 112295 HAS-646-6.37 -Phase III has started, right of way procurement. January / February 2023 this project will be out for bids.

-The Stage 3 plans were submitted 1 November; they are under review by ODOT District 11 at this time.

The project is on schedule according to the ODOT timeline.

Roadways/ Equipment/ Buildings/ Park:

- Salt purchase: The remaining salt delivery will be in January 2022. The additional salt will be stored at the ODOT building.
- A agreement will be made between the current owner of the ODOT building and the Village for storage space.
- The three benches for the park were picked up and they are in storage, they will be installed in the Spring of 2022 depending on the weather.

General:

- Pending, 104 Maple Ave storm sewer line replacement. New storm sewer pipe will be reassessed in 2022.

Capital Improvement Plan: updated /revised: 3/1/2021.

Water Line replacement and paving projects:

Phase I- Second street in between Carrollton St and Eastport street in 2017 (Completed)

The Village will purchase the material and bid the labor work to a local contractor.

Phase II - Second street from Eastport to Custer way alley to encompass all cross street such as schoolhouse junction and masonic way, projected date 2019 for initial planning and cost assessment, engineering and grant possibilities for upgraded line from a four inch to a six-inch line. Project start will be 2020 depending on grant and allocated funds available. (Completed)

Phase III- Proposed engineering and grant feasibility for Eastport street

This would encompass the intersection of SR 151 (Main Street) and Eastport to the intersection of Carrollton street 2020/ 2021 would be the projected period. Extended timeline, this Phase has been reassigned to Phase VI, due to EPA's guidance for Lead service lines.

Phase IV- Maple and Walnut street 2021/2022 (Moved to Phase III)

Engineering and grant proposal for upgrading from a 4-inch main line to a six-inch main line for proper fire coverage and removal of any lead joints, fixtures, and service lines.

Phase V- Eastport street

Eastport from the intersection of West College St to the intersection of Grimm road 2023-2024

Engineering services and grant possibilities, move the existing four-inch water line to the sidewalk area and replace it with a new six-inch line, replace any fire hydrants that are needed.

Phase VI- Brown street / Elm street / Grandview Street from west College St to the Village limit at Cemetery road replace existing line with new C900 plastic, repave as needed.

Proposed for 2024/2025. Reassigned to Phase III due to funding agencies and EPA grant monies for replacing lead service lines.

Update: Phase III will encompass Brown, Maple, Walnut, and Grandview Streets. Change due to Funding and EPA Guidelines on lead service lines.
